PREFACE

The following bibliography is the second supplement to the Annotated Bibliography of Multi-Ethnic Curriculum Materials and represents the materials collected by the Midwest Center for Equal Educational Opportunity since the publication of the original volume in the fall of 1974, and of the first supplement in the winter of 1974-1975.

This supplement includes the books, films, filmstrips, recordings and booklets available for temporary use at no cost, except for return postage, through the Midwest Center for Equal Educational Opportunity (MCEEO), Columbia, Missouri.

HOW TO USE THE BIBLIOGRAPHY:

Included in each entry are the following items: name of author, editor, or compiler; title; publisher; purchase price; source reference number; description of material; level of use.

For the sake of convenience, and because many similar bibliographies do not include the source of the materials listed, we have included, at the end of the bibliography, a numbered list of names and addresses of the sources where materials may be purchased. Numbers on this list correspond to the source reference numbers immediately to the right of purchase prices given with each entry. All purchase inquiries and request should be directed to the appropriate address (es) from this list. Sources numbered 1-90 may be found in Volume I; those numbered 91-135 are in the first supplement.

Levels of use are indicated through the use of lower case characters for areas of possible use and with upper case characters for areas of most effective use. For example, 'junior high' indicates a possible level of use, while 'JUNIOR HIGH' indicates a definite level of use.

HOW TO BORROW MATERIALS LISTED:

All requests for temporary use of materials included in this bibliography should be directed to the address below. Please indicate first and second choices and dates of use. Because of high demand for films, the lending period for films will be three (3) days. It is therefore necessary that the showing date be established well in advance of the order. All other materials may be kept two (2) weeks. If additional time is desired for materials other than films at the end of the two-week period, an extension may be requested. Any intervening request for the material from another person or group will have preference, however.

MCEEO will pay one-way postage and insurance only. Return postage and insurance must be paid by the borrower. Materials may be returned to MCEEO through the library mail rate at $0.06 for the first pound and $0.03 for each additional pound. Insurance is required and is in addition to postage rates.

Because the MCEEO Resource Center is continually growing and looking for new sources of materials, we would appreciate being informed of any materials not included here which would be important additions. Please share your knowledge with us. The bibliography is revised quarterly.

Printing costs prohibit MCEEO from making numerous copies of this bibliography available, so please feel free to duplicate it. We encourage its wide distribution.

Requests for materials and information about additional materials not included in this list may be directed to:
